- Has there been a time where you were able to share your freedom story with someone that needed to hear it?
- What stops us from telling others about our freedom?
- In your week, where do you have most contact with people who aren't experiencing God's freedom?
- How do you find engaging and connecting with your neighbours and what does this look like for you?

### **Share:**

- Have you ever had a season in your life where you felt like it was wasted but later understood how God used it to shape you and build into your freedom journey?
- Take time to share your freedom journey with each other. The following questions may help if you have never done this before.

Think back through your life...

1. What people, events or circumstances have most impacted your life?
2. What life messages did you receive as a result; e.g. "Don't be weak". "Do not show emotion". "People/God cannot be trusted".
3. Where or how has God rescued you and where are you today as a result?

***"But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of him who called you out of darkness into his wonderful light."***
